- Demographic information for students in each school, including, but not limited to race, ethnicity, English language learner status, special education status, and the

percentage of students eligible for free and reduced price lunch. Demographic data is based on SY2024-25 with the exception of schools that opened in SY2025-26 (enrollment data for new schools is preliminary). Please note that the special education program data is now reflected as a percentage of the IEP recommended portion of school day in a general education setting (versus percentage of ICT, SETTS or Special Class as in previous years). The data are now reported as such to align with the State reporting requirements as well as the requirements set forth in Local Law 27.
